Dear Sir or Madame:

ALSTARZ Cheerleading Academy (ALSTARZ) invites you to sponsor an exciting event to be held at Port Fourchon Marina in Fourchon, LA on May 15 & 16, 2015. ALSTARZ will host its 8th Annual Fishing Rodeo. The goal is to always make this event a family gathering with great music, tasty food and lots of fun for all to kick-off the "Fishing Rodeo season."

Join in on **Friday, May 15** where there will be "Glow in the Dark" Fishing, Games, Food & the Announcement of our Building Champions Magazine's Cover Girl. The fun will continue on **Saturday, May 16** with The "Anything Goes" Cook off, Vendors, Fishing, Live & Silent Auction, Awards, Live Music by "Ruffin' Ready" and the announcement of our Scholarship Winner.

Our Annual "Cook Off Competition" will have a judging panel as well as a popular vote. Kickoff is at 11 a.m., with food tasting/judging and music. The auction and award ceremony will begin at 3 p.m.

ALSTARZ instructs Recreational Cheerleading, Tumbling, Special Needs, and Hip Hop Dance classes. We also train athletes for their school's cheerleading tryouts, competitive teams that travel nationwide.

Founded in 2001 and led by Crystal Green, ALSTARZ is the first cheerleading and tumbling facility in Lafourche Parish. Crystal has broad experience as a cheerleader, captain, coach and advisor at the University of Louisiana Lafayette (ULL) and as an instructor with the National Cheerleaders Association (NCA). Her mastery of these areas along with her staff, allows her to provide young athletes the opportunity to gain excellent skills through ALSTARZ. It is ALSTARZ's mission to provide an environment that is safe both physically and spiritually. Young athletes can learn to give God the glory. They can learn self-confidence, self-discipline and a strong work ethic while enjoying the sport of cheerleading and tumbling.

Proceeds from the ALSTARZ Fishing Rodeo will continue to fund scholarships that help our athletes further their education after high school. The 2014 scholarship winner, Trent Dardar, is pursuing his post high school education at Loyola University in New Orleans. Additionally, we were able to contribute to Ochsner Medical Center-Transplant Division. Several people from our state have been given a second chance at life by being the recipient of "Organ Donations". The contribution from ALSTARZ granted Recipients and donors to participate in the "Transplant Olympics".
