Dear Sir or Madame:

ALSTARZ Cheerleading Academy (ALSTARZ) invites you to sponsor an exciting event to be held at Port Fourchon Marina in Fourchon, LA on Saturday May 18, 2013. ALSTARZ will host its 6th Annual Fishing Rodeo at the Marina. Our goal is to always make this event a family gathering with great music, tasty food and lots of fun for all as we kick-off the "Fishing Rodeo season.

New this year is a "Seafood Cook Off" competition and live music throughout the event. Kickoff is at 11 a.m., with the food tasting/judging and live Cajun/Zydeco music by Grammy Award Winner Chubby Carrier and the Swamp Band, Sponsored by J&M Pile Driving, Inc. An auction and award ceremony will begin at 3 p.m.

ALSTARZ is the home of the 2012 Worldwide Spirit Association Beach National Champions. We prepare athletes for their school's cheerleading tryouts, train competitive teams that travel nationwide competing against other gyms, and teach recreational cheerleading and tumbling classes.

Founded in 2001 and led by Crystal Green, ALSTARZ is the only cheerleading and tumbling facility in Lafourche Parish. Crystal has broad experience as a Jr. High and High School cheerleader, as captain, coach and advisor of the University of Louisiana Lafayette (ULL) cheerleaders and as an instructor with the National Cheerleaders Association (NCA). Her mastery of these areas allows her to provide young athletes the opportunity to gain excellent skills through ALSTARZ. It is ALSTARZ's mission to provide an environment that is safe both physically and spiritually. Young athletes can learn to give God the glory. They can learn self-confidence, self-discipline and a strong work ethic while enjoying the sports of cheerleading and tumbling.

Proceeds from the ALSTARZ Fishing Rodeo will continue to fund scholarships that help our athletes further their education after high school. The 2012 scholarship winner, Marcey Doucet, is pursuing her post high school education at Nicholls State University. Additionally, we are able to recognize current outstanding ALSTARZ athletes with incentives and ensure that ALSTARZ continues to staff its facility with the finest instructors and provide its athletes with state of the art equipment.
